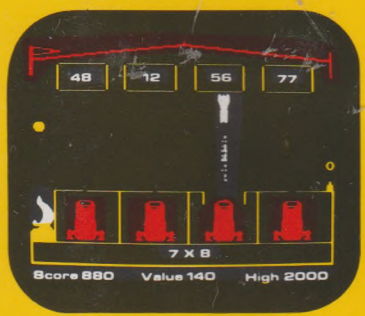
OBJECTIVE: to help students master basic math facts in an interesting and exciting way.
LEVELS: 1st through 6th grades



MATH BLASTER! T.M.

by Janice G. Davidson, Ph.D. and Richard K. Eckert, Jr.

- Master over 600 math problems grouped in "families of facts."
- Build skills in addition, subtraction, multiplication, division, fractions, decimals, and percents.
- Improve speed and accuracy with four different learning activities including a fast-action arcade game.
- Add your own problems with an easy-to-use editor.

MATH BLASTER was designed by educational specialists. Extensive classroom tests have proven it to be highly effective in improving math skills. MATH BLASTER'S graphically-appealing learning activities motivate and challenge children.
